I want to get to know my RA

Your Resident Advisor (RA) is a key access card.

I want to change my room

Room changes are not permitted after the change period.

I need help

Your Resident Advisor (RA) will be available on-call 24/7 for immediate concerns.

I have a roommate conflict

Living with roommates is the highlight of college life. In fact, there is a great deal of advice on how to successfully live with your roommate.

I need something fixed

If you need something fixed, call the Apogee Support Team at 704.687.7502 if:

Safety

Bystanders can make a difference in reducing the number of violent crimes. If something is happening, the sooner we get there, the more likely we are to respond in time.

I want to report an incident

If you would like to report an investigation, you can do this through the University Police & Public Safety (24 Hours). We recommend you talk with your Resident Advisor (RA) before making your report.

Tech setup guide

Setting up internet services

Creating an account

If you are unable to connect to the internet, please complete the checkout process as advertised in the housing contract.

Safety is a priority

Everyone has a critical role in reducing the number of violent crimes. If something is happening, the sooner we get there, the more likely we are to respond in time.

Channel lineup

View the complete channel lineup. A full list of all campus buildings with GPS coverage is shared with the University Police & Public Safety (24 Hours). We recommend you talk with your Resident Advisor (RA) before making your report.

Cable TV issues

To report or troubleshoot any cable television issue contact the University Police & Public Safety (24 Hours). We recommend you talk with your Resident Advisor (RA) before making your report.

I want to get involved with RSA

To get involved with RSA visit their website, as advertised in the housing contract.

I need more information

Get more information on the topic at housing.unc.edu.

Housing and Residence Life is to create communities in partnership with residential students that are inclusive, safe, well-maintained, and supportive. These communities provide opportunities for students to develop social and personal relationships, which extend beyond their residential experiences. Student organizations and groups are encouraged to develop and participate in the life of the campus.
