Live life to the fullest. Live on campus!

SPECIAL COMMUNITIES

A few of our residence halls are home to special communities. All freshmen will experience activities and services specifically designed to support and engage new students. Our freshmen learning communities in C.F. Lynch and Hawthorn Halls give residents the opportunity to integrate their academic pursuits with their living arrangements. A learning community specifically for transfer students will be available in Miltimore Hall. We also reserve space in the brand-new Levine Hall for Honors and Levine Scholars program participants. We also offer a limited number of apartments for graduate students or those residents 24 years old or older.

ALL-INCLUSIVE RATES

Our per semester rates are all-inclusive and consist of rent, a weekly laundry allowance, all utilities, cable TV service, high-speed wired and wireless Internet service. As an on campus resident, your per semester rate also includes membership in the Resident Student Association (RSA), a student-run organization that helps us deliver social and academic-related programs to all of our residents.

MEAL PLANS

All freshmen residents, regardless of where they live, are required to purchase a meal plan. All residents of traditional and suite housing are required to purchase a meal plan. Upper class residents living in apartments and our Greek Village area may choose a meal plan, but are not required to purchase one. Meal plan fees are not included in the Housing rates.
