## LIVE ON CAMPUS

Take advantage of all that UNC Charlotte has to offer by choosing to live on campus! Never miss a study session, professor's office hours or a chance to make new friends. You'll have all the conveniences of home with high-speed internet, cable TV and multiple dining options. Living on campus is so much more than just a room in a building. It is a lifestyle full of exciting opportunities, facilities, amenities and services right in the heart of campus.

## SPECIAL COMMUNITIES

A few of our residence halls are home to special communities that give residents the opportunity to integrate their academic pursuits and interests with their living arrangements (Lynch and Hawthorn Halls: freshmen learning communities, Witherspoon Hall: International House, Global Gateways and Transfer Students Community, Greek Village: Sororities, Levine Hall: Honors program and Levine Scholars, Holshouser Hall: ROTC Living Community, Pine Hall: graduate students and non-traditional students. We also designate spaces in Martin Hall and Independent Greek Village Houses for residents to live with their pet.

## ALL-INCLUSIVE RATES

Our per semester rates are all-inclusive and consist of rent, laundry, all utilities, cable TV, high-speed wired and wireless Internet. As an on campus resident, your per semester rate also includes membership in the Resident Student Association (RSA), a student-run organization that helps us deliver social and academic-related programs to all of our residents.

## MEAL PLANS

All freshmen residents, regardless of where they live, are required to purchase a meal plan. All residents of traditional and suite housing are required to purchase a meal plan. Upper class residents living in apartments and Greek Village may choose a meal plan, but are not required to purchase one. Meal plan fees are not included in the Housing rates.
