There is no free parking

Parking on campus requires a permit or payment of visitor parking fees whenever the University is open, weekdays from 5 a.m. Monday until 10 p.m. Friday.

Parking is always tight at the beginning of each semester

Parking can reach near capacity during the first two weeks of the semester when nearly EVERYONE is on campus, attending class, buying books, paying tuition, etc. By the third week of classes, traffic and parking patterns settle down.

Parking areas closest to the academic center fill up early

- Peak parking demand occurs from 9 a.m. to 2 p.m. when the majority of classes are scheduled.
- Everyone wants to park as close as they can to main classroom buildings so competition for close-in parking at mid-morning is stiff.

Parking areas that fill up earliest are: East Deck 2, Union Deck, West Deck and Lot 7 (between Cone Deck and Belk Gym)

During peak class times, it’s usually faster and easier to park farther out and walk or take a campus bus to academic areas

- The campus bus system, Niner Transit, is a convenient way to get around campus.
- Time it takes to take the bus from farthest decks (North, South Village and CRI) to academic center including average wait time: 7-8 minutes; walk time: 10-15+ minutes.
- UNC Charlotte has sufficient parking even during peak-use hours, with ample parking typically available in areas away from the center of campus.
- Have a plan in mind for an alternate parking area if your first choice is full.

- Do a practice run. Park at a lesser-used parking deck or lot (like North Deck, CRI Deck or Lot 6) and locate the nearest bus stop. Then you’ll know exactly where to park and where to catch the bus if you don’t wish to walk.
- After you see how easy it is to get from where you’ve parked to where you’re going, it will be easy and familiar to park there on days when your favorite parking is full.
- There’s NO REASON to park illegally in a full lot or deck and risk getting a citation.

- There’s NO REASON to circle a deck until you’re late for class. When a deck is full, it will likely stay that way for a few hours.

More tips and video
pats.uncc.edu/parking-tips

Parking on a campus of 30,000 students and 5,000 employees is not like parking at a shopping center. It’s more like parking at the airport.
TRAFFIC TIPS
Peak traffic times are 7:45 a.m. – 9:15 a.m. and 5 p.m. – 6 p.m.

Peak traffic times are 7:45 a.m. – 9:15 a.m. and 5 p.m. – 6 p.m.
PARK ONCE! Driving from one area of campus to another makes traffic worse. It’s easier and usually faster to take the campus bus, walk, or bike.

- If leaving campus between 5 and 6 p.m., avoid exiting to John Kirk Drive by way of Van Landingham Rd. near Fretwell. Try using Mary Alexander Rd. to Mallard Creek Church Rd. or the bottom level of East Deck 2 that exits directly to Rt. 49 South (University City Blvd).
- If arriving on campus between 5 and 6 p.m., avoid the John Kirk Drive entrance at Van Landingham Rd., near Fretwell. Enter campus by using Cameron Blvd., the front entrance, Mary Alexander Rd., or the bottom level of East Deck 2 from 49 South (University City Blvd).
- Pedestrians have the right-of-way at all crosswalks on campus unless there is a traffic signal, which takes precedence. The traffic circle at Mary Alexander and Van Landingham Roads and the crosswalk in front of the Student Union are controlled by a traffic signal, which must be obeyed by both pedestrian and vehicular traffic.

VISITOR PARKING

There are five visitor decks on campus: Cone Visitors (Deck 1 Level 3 and Deck 2 Level 2); Union Deck Visitors (Levels 4-6); East Deck 1; CRI Deck; South Village Deck (Level 1)

Visitor Parking Deck Fees
- $5 for first hour, $2 each additional hour, $15 maximum daily/per visit
- Visitor decks accept validated tickets, cash, credit card, and mobile payment

How to use a pay-on-foot station
- Take a timed ticket at entrance gate. Keep ticket with you. (Lost ticket or no form of payment incurs $20 fee.)
- Just before returning to car, insert the timed ticket into the pay-on-foot station, and pay the amount due indicated on the screen. Cash (no coins) and card payments accepted. Ticket will be credited, allowing 10 minutes to return to vehicle and go to exit lane.
- Scan ticket into the exit verifier; gate will raise.

Metered and Pay-By-Plate Parking
- Offered in Lots 4 (by East Deck 3) and Lot 30 (front of Cone Center).
- Metered and pay-by-plate parking is limited and fills quickly.
- Metered and pay-by-plate parking areas are enforced 24/7, except when the University is closed.
- Time limits vary by location; times are posted under the timer of the meter or at the pay station.
- Do not park at meters reading “OUT OF ORDER.” Report malfunctions to 704-687-0161.

How to use a Pay-By-Plate station
The best way to pay is via smartphone with the Parkmobile app
- Parkmobile can send an alert when your allotted time is nearing an end
- Time can be extended through the app
- Parkmobile instructions: pats.uncc.edu/parkmobile

Coin meters and multi-space meter stations for debit/credit payment are also available.

ADA Visitor Parking for Disabled Visitors
- Lot 28 (by Robinson) and Lot 30, (by Reese); pay-by-plate with Parkmobile or pay-by-space with multi-space meter.
- East Deck 1; Union Deck; Cone Deck; CRI Deck; South Village Deck, all with pay-on-foot stations. • Parkmobile instructions: pats.uncc.edu/parkmobile

VIRTUAL PARKING PERMITS

Permission to park is virtual and verified through license plate recognition or LPR.

Based on the type of permit you buy, parking privileges are assigned to your UNCCMyPark account, and verified through vehicle license plate information. Additionally, your 49er ID card serves as a secondary credential.

REGULAR PERMIT FEES

$465 . . . Full year beginning with fall semester (Faculty/Staff and Student)
$200 . . . Two-day Commuter, per semester (either M/W, T/Th or other two-day combination)
$290 . . . Semester, fall or spring (F/S and Student)
$155 . . . Night Students, per semester (Fall, Spring and Summer)
$190 . . . Partial year beginning summer term (F/S and Student)
$155 . . . Premium gate access (F/S only)

DISCOUNT REMOTE PARKING

Money-saving options for those willing to park farther out. Quantities limited.

Commuters and Faculty/Staff only

$220 . . . Lot 27 on Toby Creek Rd., near Harris Alumni Center. A walk-in lot with Niner Transit Gold route stop within 1/10 mile.

Available only to Commuters

$225 . . . North Deck fall or spring semester permit

MOTORCYCLE/MOPED PERMITS

Motorcycles and mopeds parking on campus must be registered with PatS and will receive a virtual permit linked to the vehicle’s license plate. The permit allows parking in designated motorcycle/moped spaces.

$120 . . . Full academic year in designated moped/motorcycle parking.
$75 . . . Semester, fall or spring in designated moped/motorcycle parking.
$50 . . . Partial year beginning summer term in designated moped/motorcycle parking spaces

If a motorcycle/moped rider prefers to park in a standard parking space, they must purchase a virtual permit at the regular permit price.

Motorcycle/moped parking spaces are indicated on parking map with a brown icon.

What’s required to purchase a permit at mypark.uncc.edu
- NinerNet login
- License plate number
- Debit/credit card
VIRTUAL PERMIT TYPES
Each virtual permit has corresponding permissions that assign where and when the vehicle may park. The permissions are linked to the owner's account and verified via state-issued license plate and 49er ID Card.

Commuter
Available only to Commuter students
Permit is valid on campus 24/7 in all yellow and orange color coded areas. Access granted in Lot 15 and Cone Deck at 6 p.m.

Two-Day Commuter Permit
Available only to Commuter students
An economical option for Commuters who are only required to be on campus two days a week. Valid for one semester, only on the days specified, in all yellow and orange color coded areas. On all other weekdays, these Commuters must pay to park in Visitor Decks or at meters, even after 6 p.m.

Night
Available only to Faculty/Staff and Commuter students
Valid between 3 p.m. and 8 a.m., in all yellow and orange color coded areas. Access granted in CRI Deck at 3 p.m.; Lot 15 and Cone Deck at 6 p.m.

Resident
Available only to on-campus resident students
Resident permit is valid 24/7 in all blue and orange color coded areas. Access granted in Lot 15, Cone Deck and CRI Deck and the lower level of Union Deck at 6 p.m.

Greek Village
Available only to residents assigned to Greek Village
Greek Village permit is valid 24/7 in Greek Village and orange color coded areas. Access granted in Lot 15, Cone Deck and CRI Deck 1 at 6 p.m.

Lot 6A*
Available only to Faculty/Staff and Commuter students
6A permit is valid 24/7 in parking Lot 6A on Cameron Blvd. (by John Kirk Rd.). This is a discounted lot served by the Silver campus bus.

Lot 27*
Available only to Faculty/Staff and Commuter students
L27 permit is valid 24/7 in parking Lot 27 on Alumni Way near the Harris Alumni House. Lot 27 is a walk-in discounted parking lot, not directly served by campus buses. (Stop on Alumni Way near Harris Alumni House, ± 1/10 mi. walk.)

North Deck*
Available only to Commuter students
Valid only in North Deck and available annually or by the semester. Niner Transit Green and Gold routes stop nearby by light rail.

Faculty/Staff
Available only to Faculty/Staff
Faculty/Staff permits are valid on campus 24/7 in green Faculty/Staff lots, yellow and orange Commuter areas, and blue Resident-designated lots except Lot 16.

Faculty/Staff gated parking access is granted only to those who have also paid for premium gated F/S access.
F/S Center City parking privileges are available online to F/S working at CCB. This must be requested at time of purchase.

DISABILITY PARKING
Both UNC Charlotte virtual parking permit credentials and disability placard are required in ADA spaces in all decks and lots. Payment at meters and Visitor areas is still required with a placard.

ADA Parking at Center City is currently provided by Preferred Parking, Inc., in the 625 N. Brevard Street lot.* Both a UNCC parking permit and disability placard are required.

Disability placards are registered to people, not vehicles. It is unlawful to use a placard not registered to you.

*Due to construction of a deck, parking at Center City Bldg. is subject to change. Updates at pats.uncc.edu.

STUDENT PARKING AT CENTER CITY BUILDING (CCB)
UNC Charlotte Center City requires specific parking credentials which may only be purchased by students registered for classes there, determined by class schedule as listed in Banner.

CCB does not have separate parking dedicated to the building. The University has negotiated an arrangement with Preferred Parking, Inc., for Faculty/Staff and Student parking.

All Center City permits are correspondingly valid on main campus.

PARKING ENFORCEMENT AT CENTER CITY IS UNDER THE ADMINISTRATION OF PREFERRED PARKING, INC. PATS HAS NO ENFORCEMENT OR APPEALS AUTHORITY OVER CCB PARKING.
Where can I purchase a virtual parking permit? Parking credentials may be purchased online or in person at the PaTS Office (#92 on campus map). Office hours are Monday-Friday, 8 a.m. - 5 p.m. with extended hours at the beginning of each semester; hours posted on the website.

What if I have to wait on a financial aid refund until I can buy a permit?
If you’re unable to purchase a permit before classes and permit enforcement begins, you may set up your online UNCCMyPark account and buy temporary, single-day permits for as many days as you need. Price is $8 per day. When you’re ready to get an annual or semester permit, complete the permit purchase through the website and your parking permissions will be updated immediately.

Where can I park without a permit?
Visitor decks and metered parking areas are the only places where vehicles without permits may park. Mobile payment through Parkmobile app, can be used.

Are permit refunds available if I withdraw from or leave the University?
Usually, yes. You will need to visit the PaTS office to deactivates your permit, confirm your parking privilege cancellation and take care of any outstanding fees on your account; then a prorated refund for the remaining value will be issued. Night permits may not be refunded after the second week of class that semester. For more information, see the refund schedule at pats.uncc.edu/refunds.

I’m graduating in December. May I just buy a permit for Fall semester?
Yes! Students have the option to purchase a permit by the semester. Note, however, that if you plan to be on campus the entire academic year (and possibly a summer session or two), it is less expensive to purchase the annual permit.

Are permits required on weekends?
Permits are required at all times, but they are currently not enforced on weekends after 10 p.m. Friday until 5 a.m. Monday unless it’s a football home-game weekend when all vehicles must have a valid UNC Charlotte parking permit or display a valid Game Day event permit.

Why doesn’t PaTS sell three-days-per-week permits?
A three-day permit would yield the consumer no appreciable savings. Those with three-days-per-week class schedules will find it more cost effective to purchase the annual or semester permit, plus they’ll have the added benefit of permission to park on campus throughout the week.

What should I do if I change cars?
Simply log-in to the UNCCMyPark account and update your vehicle information. Your virtual parking permit will then be valid for that vehicle. Vehicles associated with customer accounts must follow the guidelines stated in the Parking Ordinance Section 2-1(5).

If online access is not readily available, you can always contact our PaTS Communication Center at 704-687-0161 and they can assist with updating your account.

What should I do if I temporarily need to drive another car to campus?
There are two ways to temporarily link your parking permissions to the license plate of a temporary vehicle (such as a rental car):
1. Call the PaTS Communication Center to temporarily add the vehicle to your account.
2. You may also add the temporary vehicle yourself through the UNCCMyPark account, as long as the following requirements are met:
   - The maximum number of vehicles on the account has not yet been reached;
   - The temporary vehicle is associated with the account holder as stated in Section 2-1(5) of the UNC Charlotte Parking Ordinance;
   - The temporary vehicle is not already linked to another account (if a student account).

The vertical green bar next to your vehicle type designates that the vehicle is properly associated with your credential.

If you’ve added the temporary vehicle information yourself, remember to remove it from your account when finished driving that vehicle. Otherwise, future parking citations associated with that vehicle may continue to be linked to your account.

Are there special permits for motorcycles and mopeds?
Motorcycles and mopeds also have virtual permits and may be registered alone or added to a multi-vehicle permit. Only one vehicle registered to that permit is allowed on campus at a time. Call 704-687-0161 or visit the PaTS Office for further details.

Are there special permits for carpools?
Yes, and every car in the carpool must be specifically registered as such with PaTS. Each carpool uses a single virtual permit with multi-vehicle registration. For more information call 704-687-0161. Looking for carpool partners? ShareTheRideNC.org offers free carpool matching.

May I back into a parking space?
No, not unless your vehicle is registered in a state which provides both front and rear plates. If you purchase and properly install a custom front license plate from PaTS, the LPR-readable front plate option will have your state-issued plate number printed onto a UNC Charlotte plate. Price is $20. You do not have to pay to renew the plate when your permit expires unless/until the state-issued rear plate number changes.

To place an order for a front plate, order your permit online. Then email pats@uncc.edu with the subject, “front plate.” Be sure to state the license plate number(s) of the vehicle(s) to which you are adding the front plate(s). You will be notified by email when the option to pay for the front plate(s) is available to you in the MyPark portal.

All vehicle plates must be properly mounted using the vehicle manufacturer’s mounting location.

Am I permitted to register more than one vehicle?
Yes. Faculty/Staff may register up to three vehicles on their account at any given time; students may register up to two. However, only one vehicle per account may be parked on campus at the same time (unless parked in a visitor parking area) and vehicle registration must comply with Parking Ordinance Section 2-1.

Can I add my roommate’s vehicle to my virtual permit account?
No one may register a vehicle not owned by that individual, their spouse, parent or guardian, or assigned to the individual by their employer (proof of employment required).

How are the proceeds from permits spent?
The majority of the permit proceeds and Visitor Parking fees go toward:
- Construction of new decks and paying debt on existing decks
- Repairs and maintenance of all decks and lots
- Utilities to light the decks and lots
- Technology to enhance the customer experience
- Personnel

Learn more: pats.uncc.edu/truth

Is it true that more permits are sold than there are spaces?
Yes. If permits were sold on a one-to-one-ratio, thousands would be denied the privilege to park while lots and decks were half empty. Few students occupy a space for more than 5 or 6 hours a day, and not everyone works or has classes daily. Parking spaces turn over constantly. Close-in parking is at a premium during weekday hours, but so far, PaTS has managed to maintain an acceptable percentage of open spaces most of the time.

**TRANSPORTATION TRACKING**

UNCC NextRide provides real-time transit feeds for campus bus and Para-transit through:
- Website/mobile site: nextride.uncc.edu
- Mobile app
- SMS text

**Live Tracking**
GPS tracking map shows the current location of all vehicles with color-coded route, stop and vehicle icons.

**Mobile Apps**
View bus locations and arrival information in real-time using a FREE mobile app (Android and iOS).

**Text Messaging**
The text message alert system allows users to receive SMS text messages showing the arrival time estimates for each bus stop. See website for detailed instructions.

**CATS ALL ACCESS TRANSIT PASS**

**Students**
Your CATS all-access transit pass is included in the Miscellaneous Transportation Service Charge. You do not need to take any action to activate your pass. This applies to most enrolled students, excluding those enrolled exclusively in distance-learning classes. Distance-learning students should visit pats.uncc.edu/lightrail for information on obtaining a pass.

**Faculty and Staff**
- Permanent Faculty and Staff may buy passes for academic year 2018-19 for $75. Purchase may be made via payroll deduction or credit card through your MyPark account, the same system through which parking permits are ordered. Purchases made via payroll deduction will be post-tax.
- Temporary employees, faculty emeriti, business affiliates and campus partners, see pats.uncc.edu/lightrail for pass information specific to you.

**Pass Details**
- The CATS all-access transit pass includes unlimited, fare-free rides on the CATS LYNX light rail, streetcar, Special Transportation Service (STS), local and express bus routes.
- More information on the light rail schedule and bus schedules is available on the CATS website.
- Your 49er ID card will serve as your ticket for all transportation methods. Just show and go on the train and tap and go on the bus. It may take up to 72 hours for passes to become active on newly issued or reissued 49er ID cards.
- Passes are active August 15, 2018 - August 14, 2019. The all-access transit pass is not available to family members, alumni or retirees (other than faculty emeriti). Individual light rail tickets may be purchased via the CATS mobile app or at a ticket vending machine located at train stations.

**Take advantage of transportation options and discounts!**
There are many ways to get from campus to around the city, state and country.
- Charlotte Area Transit offers the Airport Sprinter.
- Amtrak has a station in Charlotte. Amtrak also offers ticket discounts to students.
- From the Greyhound station at 601 W. Trade St., The Mountaineer N/S (Sunway) runs daily to Boone, NC and Greyhound and Trailways run daily to Wilmington, N.C.

More information at pats.uncc.edu/transportation
BICYCLE LOCKERS

Bicycle lockers are located in CRI, Union, North and South Village parking decks and in Lot 27.

- Lockers available to current students, faculty and staff;
- Supplied at no charge to those with a valid annual UNC Charlotte parking permit;
- There is a $15 per semester or $40 per year charge to those who do not have an annual parking permit;
- Rent by the semester or academic year.

Here’s what you can expect:

- Parking will be at a premium for all six football home games: Sept. 1, Sept. 15, Oct. 13, Oct. 27, Nov. 17.
- All campus entrances close five (5) hours prior to kickoff, except for two: Main entrance off University City Blvd. and East entrance off John Kirk Rd.
- Game day entrances open to game day permit holders four (4) hours prior to kickoff at the designated entrance for their permit.
- On the Monday prior to a game day, signs are placed in all tailgating lots and parking decks notifying of closure for football parking.
- Vehicles parked in football parking after midnight before a game day will be towed at owner’s expense.

ALL game parking requires a specific game day permit

- Single game day permits available online for Union Deck, West Deck, North Deck, CRI Deck and Lot 5 at uncc.clickandpark.com
- Cash parking in Cone Deck (Pink), $20 per vehicle.
- ADA parking permits will be available through Click and Park for CRI Deck. Both an Orange CRI ADA game day permit and a state-issued disability placard must be presented for admittance.
- Parking permits will be scanned or collected upon entry to the parking area; reentry is not permitted.

Student tailgating and parking

- Student tailgating is in designated student lots and available on a first-come, first-served basis.
- To obtain a student tailgating permit, go to uncc.clickandpark.com the Tuesday before game day, using the student ID number as a validation code. There is no charge for a student tailgating permit.
- When student tailgating permits are issued to capacity, students must park in South Village Deck using their UNCC student parking permit.
- Students who do not have a UNCC parking permit are required to park in East 1 Visitor Deck or South Village Deck and pay the associated Visitor fee.
- Students needing ADA parking may obtain an Orange ADA permit for CRI Deck in lieu of the Silver tailgating permit. Only one permit will be issued per game. Both an Orange CRI Deck ADA permit and a state-issued disability placard must be presented for admittance.

Non-football parking information

- East Deck 2, East Deck 3, and South Village Deck are open to those with valid UNCC parking permits who are not attending the game.
- Faculty/Staff, Commuter or Resident permits are not valid in decks or lots designated for football parking.
- Faculty/Staff reserved spaces are not valid in football-designated lots on home game days.
- East Deck 1 and South Village Deck are the non-game Visitor parking area. Visitor rates apply.

Additional information for resident students

- Resident Lots 25 and Lot 21 are designated for football parking. No other resident lots are affected.
- All vehicles parked in Lot 25 and Lot 21 must be moved by midnight the evening before a home game or are towed at the owner’s expense. Alternate parking is any other R-designated Lot or Deck.
- Tell friends/relatives who are attending home football game days, to park in East Deck 1 or South Village Deck visitor parking unless they have a game day permit. Those who park in East Deck 1 or South Village Deck will need to pay Visitor fees. Special rates may apply, including on weekend home game days.

DISABILITY TRANSPORTATION

Niner Paratransit offers service via multiple hubs

Monday - Friday . . . . . . 7 a.m. - 2 a.m.

Niner Paratransit service provides disability transport throughout campus for those with ongoing mobility impairments who have registered for the service. Preregistration required. Medical verification request form found at pats.uncc.edu/paratransit.

Niner Paratransit is also available to those who need assistance on a temporary basis, such as recent surgery, lower limb injuries, visual impairments, or chronic diseases that impact mobility. This is also arranged through the Office of Disability Services, Fretwell 230 (704-687-4355). After completion of the required form, Disability Services will verify and send email confirmation of eligibility, usually processed within 24 hours or less.

There are over 50 pick-up/drop off locations all over campus, including administration, academic, residence buildings and near parking decks. A complete list of pick-up and drop off locations is on the website.

Paratransit is not emergency transport; call 911 for ambulance service. Does not run when campus is closed. Hours and pick-up locations may change in response to construction closures and detours. Updates on the website and through Twitter, @unccparking.
Citations for parking violations are NOT printed and left on vehicle, but sent to your uncc.edu email accounton file.

**Citation FAQ**

Where do I pay citations?
Citations may be paid online, by mail, or in person at the PaTS Office. The first citation in an academic year, if paid within 10 business days from date of issue, is automatically reduced by 50% unless citation was for:
- forged, altered or stolen credential or physical permit
- failure to pay visitor parking fee
- parking in or blocking access to space or accessibility ramp for the disabled
- tampering with parking equipment
All subsequent penalties must be paid at full value.

What if I don't agree with the citation?
A written appeal must be filed within ten (10) business days. The form link is included on your e-citation and also available at pats.uncc.edu/citations. Submit online or in person. Please allow 24 hours from time of issuance to file appeal. All appeals are read and considered; decisions are emailed.

How are the proceeds from citations spent?
According to North Carolina law, the University is only allowed to retain 20% of the money collected from parking citations. The remaining 80% must be remitted to the state to support local public schools (elementary, middle and high schools).

The 20% that UNC Charlotte is allowed to keep is earmarked to cover operating costs for citation collections. Unfortunately, the cost of the enforcement and collections program significantly exceeds this amount.

Can I park at a malfunctioning meter?
Sorry, no, you may get a ticket for that. Move your vehicle to another meter and please report the malfunction to Parking and Transportation Services, 704-687-0161.

Will I lose my parking privileges if I get too many tickets?
PaTS has the authority to boot or tow a vehicle if citations total four (4) or more, if the combination of unpaid deck vouchers and citations totals seven (7) or more, or if unpaid fees or fines is $250 or more. In those cases, parking privileges are revoked and the vehicle is on a Tow List until the account is cleared.

I wasn’t driving my car at the time of the citation. Do I still have to pay it?
The person to whom a permit is issued is responsible for any violations that occur while the car is parked on campus.

**CONTACT INFORMATION**

PaTS Communication Center. 704-687-0161
Monday 5 a.m. continuously until Friday 10 p.m.
PaTS Office (#92 on map after Oct. 2018; #23 prior). 704-687-0161
Monday - Friday, 8 a.m. - 5 p.m.
