DISABILITY PARKING
Both UNC Charlotte virtual parking permit credentials and disability placard are required in ADA spaces in all decks and lots. Payment at meters and visitor areas is still required with a placard. ADA Parking at Center City is provided by Preferred Parking, Inc., in the 625 N. Brevard Street lot.* Both a UNCC permit and disability placard required. Disability placards are registered to people, not vehicles. It is unlawful to use a placard not registered to you.

**PARKING AT CENTER CITY BUILDING**
Unlike main campus, a physical permit is required to park at CCB. Faculty/staff and student parking at Center City Building is currently in the 319 E. 9th Street lot, provided through an arrangement with Preferred Parking, Inc. Location will change during 2018-2019 academic year when Preferred Parking’s new parking deck will open.

**PERMIT REFUNDS**
Prorated refunds are available for those who graduate mid-year or withdraw. Visit the PaTS office to deactivate your permit, confirm parking privilege cancellation and settle any outstanding fees on account; refund for the remaining value will then be issued.
Night permits may not be refunded after the second week of class that semester.
Refund schedule at pats.uncc.edu/refunds.

**PARKING VIOLATIONS**
- Full ordinances governing campus parking, complete violations list, and citation fees available at pats.uncc.edu.
- Vehicle operators must obey the instructions of any law officer, parking control officer, official traffic sign, or traffic control device.
- Violation of the University’s parking rules and regulations may result in the loss of parking privileges without refund.

**Enforcement**
Virtual permits are required at all times.
- Vehicles must park in marked spaces at all times.
- Reserved spaces are enforced at all times.
- Meters are enforced at all times.
First citation discount
The first citation received in an academic year, if paid within 10 business days from date of issue, is automatically reduced by 50% unless citation was for:
- forged, altered or stolen credential or physical permit
- failure to pay parking fee
- parking in or blocking access to space or accessibility ramp for the disabled.
All subsequent penalties must be paid at full value.

**Appeals**
- Citations may be appealed within 10 business days. Appeals are submitted online. Forms are also available in the PaTS office. Late appeals are not accepted.
- Appeals are considered if vehicle was not in violation at the time of the citation, and/or if any extenuating circumstances beyond the operator’s control placed the vehicle in violation.
- Appeals are answered via email to a uncc.edu account.

**Failure to Pay Parking Fines**
Students: Citations are charged to the student’s University account. Failure to pay will result in denial of registration, issuance of transcripts or graduation.
- Faculty/Staff: Citations are deducted from payroll check.
- Nonaffiliated Visitors: Charges submitted for collection through an independent agency.

**Towing/Immobilization Policy**
PaTS has the authority to boot or tow a vehicle if citations total four (4) or more, if the combination of unpaid deck vouchers and citations totals seven (7) or more, or if unpaid fees or fines are $250 or more. Parking privileges are revoked and the vehicle is on a Tow List until the account is cleared.
